

## Terms of Usage

### 1. App Usage

- 1.1 **Vipal Siddh** has been developed solely for **educational purposes**.
- 1.2 Information provided by Vipal Siddh **must not be used**, under any circumstance, in an emergency situation.
- 1.3 Vipal Siddh or its developer, will not be carrying any responsibility for any damage to anyone, living or dead, or anything caused by the app usage. The application must be used under the user's own risk.

### 2. Privacy Policy

- 2.1 Vipal Siddh does not ask for any personal information (like name, sex, religion, etc.) for the app usage.
- 2.2 However, the app requires the user's current location, in order to perform its function of showing the nearby hospitals.
- 2.3 Vipal Siddh does not record or share the user's location, or health search records, with any third-party application, or company.
- 2.4 Vipal Siddh uses Google's APIs (Application Programming Interface) to show nearby hospitals. It is not responsible for collection of information, if any, by Google through its APIs.

### 3. Information Source

- 3.1 The information provided on Vipal Siddh is sourced from Google and other health websites\*.
- 3.2 Vipal Siddh, or its developer, do not have any ownership rights over the information provided on the app.
- 3.3 With at least 10,000 diseases in the world, Vipal Siddh does not have an initial database of so many diseases. However, the developer intends to add more diseases with every app update.
